SCIFEST.VEGAS 
#LVSCIFEST

WELCOME

The Las Vegas Science & Technology Festival is back, celebrating its 14th anniversary, and it's going to be bigger and better than ever. We're offering **nine jam-packed days of FREE** events designed to spark kids' curiosity and showcase the amazing science and technology happening right here in Southern Nevada.

PLEASE NOTE

All events are **FREE** and suitable for all ages unless otherwise noted in the event details. Most events have limited capacity and require advance registration.

EVENTS

FRIDAY, APRIL 25

OLOGIST NIGHT AT THE MUSEUM FEATURING SCIENCE WITH SOPHIE (LAS VEGAS)

Sponsored by COX

Presented by The Las Vegas Natural History Museum

Budding science lovers will get an opportunity to interact with fossils, artifacts, live animals, and scientists from many different fields. This includes Sophie Shrand [Science With Sophie, Theory of Awesome, The Second City]. She is an award-winning actor, scientist, educator, writer, and producer with degrees in Behavioral Neuroscience and Theatre.

Science with Sophie is a multi-award-winning science comedy series that aims to normalize women in STEM and spark generations of compassionate, curious minds. The series streams on Kidoodle.TV and reaches two million families worldwide.

Las Vegas Natural History Museum

900 N. Las Vegas Blvd.

Free admission and programming from
5 p.m. – 8 p.m.

SEE FULL EVENT CALENDAR AND REGISTER AT WWW.SCIFEST.VEGAS

EVENTS

SATURDAY, APRIL 26

OUTDOOR EXPLORERS DAY

SCIENCE IS EVERYWHERE TINKER BAGS! (ACROSS THE VALLEY)

Unleash your creativity with our Tinker Bag, designed for ages 5 – 17. An ideal family-friendly activity, this FREE kit encourages hands-on exploration with materials made for building and creating. Stop by the library to claim yours (while supplies last) and start tinkering today!

- **Blue Diamond Library**
10 a.m. – 3 p.m.
- **Bunkerville Library**
10 a.m. – 3 p.m.
- **Goodsprings Library**
10 a.m. – 3 p.m.
- **Indian Springs Library**
10 a.m. – 4 p.m.
- **Meadows Library**
10 a.m. – 3 p.m.
- **Moapa Town Library**
11 a.m. – 5 p.m.
- **Moapa Valley Library**
10 a.m. – 6 p.m.
- **Mount Charleston Library**
12 p.m. – 5 p.m.
- **Sandy Valley Library**
10 a.m. – 6 p.m.
- **Searchlight Library**
10 a.m. – 2 p.m.

UNLV CYBERSECURITY DAY (LAS VEGAS)

Crack the Code. Defend the Future. Win Big.
UNLV is hosting Cybersecurity Day, an immersive, high-energy event packed with hands-on tech challenges and real-world cyber simulations. Students will rotate through four action-filled activations. Earn prizes,

build real skills, and step into the world of ethical hacking and digital defense. Only 150 students will be accepted, space is limited, and spots will go fast!

Check scifest.vegas for location and more information.

12:30 p.m. – 5:00 p.m.

BIOBLAST - BIRDS & MORE! (LAS VEGAS)

Presented by Clark County Wetlands Park and Commissioner Jim Gibson, participants will love visiting various science stations where they'll learn about the plant and animal species found in Wetlands Park and southern Nevada. And don't miss out on World Migratory Bird Day celebrations, including thoughtfully curated games and activities.

Clark County Wetlands Park

7050 Wetlands Park Lane
Las Vegas, NV 89122
9 a.m. – 1 p.m.

JUNIOR PALEONTOLOGIST HIKE (NORTH LAS VEGAS)

Step back in time with our Junior Paleontologist Tour, allowing you to explore real fossils, chat with an expert paleontologist, and discover the wonders of ancient creatures. You'll also enjoy a guided walk along the Megafauna Trail where you'll see life-sized replicas of giant creatures including mammoths and saber-toothed cats. Perfect for families of young explorers, this tour is designed to spark curiosity and excitement about the prehistoric world.

Ice Age Fossils State Park

8660 N Decatur Blvd.
10 – 11:30 a.m.

NEON MUSEUM STEAM FAMILY FEST (LAS VEGAS)

STEAM Family Fest is a program by The Neon Museum that offers fun make-and-take activities, hands-on learning, and demonstrations designed to promote creative and critical thinking. What is STEAM learning? STEAM learning is an education strategy that integrates Science, Technology, Engineering, Art and Math to encourage inquiry, discussion and problem-solving. Please purchase your ticket at neonmuseum.org

Neon Museum

770 Las Vegas Blvd. N.
9:30 a.m. – 12:30 p.m.

NEVADA STATE UNIVERSITY GARDEN FESTIVAL (HENDERSON)

Join us at the Nevada State University Garden Festival! See how Nevada State University is practicing urban agriculture and dive into some fun and engaging activities focused on environmental sustainability. Plant your own succulent at the "plant-a-palooza," take a tour of our hydroponic system and science labs, learn to flower press at the art station, find cool prizes in the scavenger hunt, and more!

Nevada State University

1300 Nevada State Dr.
Henderson, NV 89002
8 – 11 a.m. drop-in

*Please park in the lot closest to the Liberal Arts and Sciences Building and follow the signs to the NS Garden.

PLASTIC BOTTLE TERRARIUMS (BLUE DIAMOND)

We are celebrating Earth Day this entire week. We will make our own terrariums in plastic bottles. Let's see how plants grow in bottles!

Blue Diamond Library

16A Cottonwood Dr.
Blue Diamond, NV 89004
10 – 2:45 p.m.

SCIENCE WITH SOPHIE (LAS VEGAS)

The Las Vegas–Clark County Library District presents a must-see event with Sophie Shrand [Science With Sophie, Theory of Awesome, The Second City]. She is an award-winning actor, scientist, educator, writer, and producer with degrees in Behavioral Neuroscience and Theatre.

Science with Sophie is a multi-award-winning science comedy series that aims to normalize women in STEM and spark generations of compassionate, curious minds. The series streams on Kidoodle.TV and reaches two million families worldwide.

Whitney Library

5175 E. Tropicana Ave.
Las Vegas, NV 89122
10:30 a.m. – 11:30 a.m.

West Charleston Library

6301 W. Charleston Blvd.
Las Vegas, NV 89146
2 – 3 p.m.

SEE FULL EVENT CALENDAR AND REGISTER AT WWW.SCIFEST.VEGAS

EVENTS

SUNDAY, APRIL 27

SCIENCE IS EVERYWHERE DAY

Sponsored by Gene Haas Foundation, MGM Resorts International, Southwest Gas and Sunrise Health

Programs are grouped by geographic area. Plan your route through the Las Vegas Valley for a whole day of science fun!

Boulder City • Henderson • Las Vegas • The Strip • North Las Vegas • Mesquite

SCIENCE IS EVERYWHERE TINKER BAGS! (ACROSS THE VALLEY)

Unleash your creativity with our Tinker Bag, designed for ages 5 – 17. An ideal family-friendly activity, this FREE kit encourages hands-on exploration with materials made for building and creating. Stop by the library to claim yours (while supplies last) and start tinkering today!

- Centennial Hills Library
10 a.m. – 6 p.m.
- Clark County Library
10 a.m. – 6 p.m.
- East Las Vegas Library
10 a.m. – 6 p.m.
- Enterprise Library
10 a.m. – 6 p.m.
- Laughlin Library
1 – 5 p.m.
- Mesquite Library
1 – 5 p.m.
- Rainbow Library
10 a.m. – 6 p.m.
- Sahara West Library
10 a.m. – 6 p.m.
- Spring Valley Library
10 a.m. – 6 p.m.

- Sunrise Library
10 a.m. – 6 p.m.
- West Charleston Library
10 a.m. – 6 p.m.
- West Las Vegas Library
10 a.m. – 6 p.m.
- Whitney Library
10 a.m. – 6 p.m.
- Windmill Library
10 a.m. – 6 p.m.

HOOVER DAM RAFTING ADVENTURES (BOULDER CITY)

Come enjoy the spectacular Hoover dam views! Beginning at the Alan Bible Visitor Center, you'll be traveling down the historic Lower Portal Road to the Black Canyon Water Trail of the Colorado River. There, you will board your raft for an unforgettable 30-minute ride.

Alan Bible Visitor Center
Lake Mead National Recreation Area
10 Lakeshore Rd.

ours begin at 9:30 a.m., 11:30 a.m.,
and 1:30 p.m.

Check-in is 30 minutes before the
tour, 30 guests per time slot.

CODE LIKE A PRO! (HENDERSON)

Join us for Science is Everywhere Day and participate in a FREE 30-minute introductory coding session. Kids age 7 – 17 will have the chance to create their own video game, code a website, or engage in exciting engineering projects. No prior experience needed — just bring your curiosity!

Code Central
10545 S. Eastern Ave. #110
Henderson, 89052

Various time slots available!
Please check website for
up to date details.

THE MINE EXPERIENCE (HENDERSON)

This is your chance to see the only simulated underground gold mine in Nevada! Get the complete "Mine Experience" with plenty of exhibits and opportunities to explore the grounds. Participants will gain insight about the history and importance of mining in the Silver State.

**The Mine Experience @ McCaw
School of Mines**
57 Lynn Lane, Henderson
(behind City Hall)
FREE admission from 9 a.m. – 12 p.m.

VALHALLAN ESPORTS (HENDERSON)

Calling all young (ages 5 - 16) gamers, creators, and curious minds! Join us for Valhalla Science is Everywhere Day — where science and esports collide. Rotating through four exciting activity blocks, kids will explore how science, technology, and teamwork power the games they love. With guidance from real esports coaches and STEM mentors, participants will learn the basics of game design, the role of physics in gaming strategy, and more.

Each session is capped at 45 kids, so register early to secure your spot.

Valhalla eSports
500 E. Windmill Ln. Ste. 100,
Las Vegas, NV 89123
9 a.m. to 5 p.m.
9 – 11 a.m.; 11 – 1 p.m.; 1 – 3 p.m.;
3 – 5 p.m.
* Each session is capped at 45 kids, so
register early to secure your spot!

CRAFTOPIA! (LAS VEGAS)

Children of all ages and their families are invited to join in an hour of fun arts and crafts at West Las Vegas Library. Supplies are limited and available on a first-come, first-serve basis. Please call 702.507.3983 with questions.

West Las Vegas Library
951 W. Lake Mead Blvd.
3 – 4 p.m.

SEE FULL EVENT CALENDAR AND REGISTER AT
WWW.SCIFEST.VEGAS

EVENTS

SUNDAY, APRIL 27 (CONTINUED) SCIENCE IS EVERYWHERE DAY

STEM MOVIE – LEGEND OF THE ENCHANTED REEF (LAS VEGAS)

Join us for a film screening of “Legend of the Enchanted Reef” hosted in collaboration with the Las Vegas Science and Technology Festival and Cinema Learning Challenge at the Galaxy Theatres — Boulevard Mall powered by NCWIT Nevada. Join energetic Shorty, intelligent Indigo, and daring sawfish Jake on a colorful coral reef adventure. After a fishing trawler devastates their reef, the trio has no choice but to set out on a quest to find a new home.

All registered attendees will receive complimentary popcorn, soft, drink, and/or a treat. Please note some items may not be included in this offering. Additional concession items are available for purchase.

Galaxy Theatres
at the Boulevard Mall
3680 S. Maryland Pkwy.
Las Vegas, NV 89169
12:30 p.m. – Doors Open and
Check-In Begins @ Boulevard Mall
1:15 p.m. – Approx start time of the
film (runtime ~45 mins)

EVERYDAY SCIENCE (LAS VEGAS)

As part of Science is Everywhere Day, you’re invited to join us at West Charleston Library to learn basic science experiments that can be conducted using items you have at home.

West Charleston Library
6301 W. Charleston Blvd.
10:30 a.m. – 12 p.m.

ATOMIC MUSEUM TOURS (LAS VEGAS)

Discover the history of nuclear testing and our atomic connections to the universe on a guided tour through the Atomic Museum. Participants will encounter engaging exhibits that explore themes like nuclear science, atomic pop culture, and stockpile stewardship before stepping inside the Ground Zero Theater to experience a simulated atomic test.

Tours run for one hour and open to all ages. However, the subject matter is best suited for students in 4th grade and above.

Atomic Museum
755 E. Flamingo Rd.
9:30 a.m. and 11:00 a.m.,
max 30 people per tour

LAS VEGAS PRE-K FAMILY STEAM ADVENTURE! WITH DESERT RESEARCH INSTITUTE (LAS VEGAS)

Enjoy story time, engaging experiments, and interactive games designed to bring ecology to life. This experience is designed to inspire a love of discovery in young learners. The STEM Education Team presents Ecosystem Explorers with Green Box, a hands-on kit that introduces Pre-K children to the fascinating world of ecology through literacy.

At this event, families will:

- Learn about ecosystems and the balance of nature.
- Discover how living and nonliving things depend on one another.
- Explore the wonders of the natural world through play and observation.

Clark County Library
1401 E. Flamingo Rd.
11:30 a.m. – 1:30 p.m.

ROBOTS SAVING LIVES (LAS VEGAS)

Join Southern Hills Hospital for an interactive experience that explores how science is used every day in the hospital and the latest surgical robots with hands-on demonstrations. Plus, younger kids can participate in a teddy bear clinic, where they’ll learn to perform “surgery” and care for their stuffed animals.

Southern Hills
Hospital and Medical Center
9300 W. Sunset Rd.
10 a.m. – 12 p.m.

SCIENCE BASH! (LAS VEGAS)

Celebrate Science is Everywhere Day at Enterprise Library. You’ll make lava lamps, fake snow, and thaumatropes. Perfect for children grades K - 6th, Science BASH is FREE and open to the public.

Seating is limited and on a first-come, first-serve basis. Tickets are handed out at 10:30 a.m. at the Enterprise Information Desk. Please call 702.507.3764 for details.

FREE Science Tinker bags with fun at-home projects are also available while supplies last.

Enterprise Library
8310 S. Las Vegas Blvd.
11 a.m. – 1 p.m.

SEE FULL EVENT CALENDAR AND REGISTER AT WWW.SCIFEST.VEGAS

EVENTS

SUNDAY, APRIL 27 (CONTINUED) SCIENCE IS EVERYWHERE DAY

SCIENCE & BEYOND: CUBELETS (LAS VEGAS)

Let your imagination run wild as you make, create, and reinvent your own robot construction with Cubelets (robot blocks). This family-friendly program for all ages is designed to simplify the concepts of robotics and coding.

East Las Vegas Library
2851 E. Bonanza Rd.
2 – 3 p.m.

SPRINGS PRESERVE: THE NATURE EXCHANGE AND TEACHING GARDEN (LAS VEGAS)

Two great offerings at one amazing location! Join Spring Preserves naturalists to learn about the Nature Exchange. Discover new facts about the natural world and begin to grow your own collection as traders bring in items from the great outdoors, earn points, and take home other amazing prizes. Geodes, shells, bugs, fossils — we have it all!

Plus, you can check out our Teaching Garden to talk with experts and learn techniques for successfully gardening in the Southwest desert.

Springs Preserve
333 S. Valley View Blvd.
9:00 a.m. – 2:00 p.m.

*Must check-in at main ticket plaza.

STEM ACTIVITIES (LAS VEGAS)

Join us for STEM activities for kids 3–11 years old. No registration needed, just show up and have fun!

Summerlin Library
1771 Inner Circle Dr.
4:30 – 5:30 p.m.

SILVERTON AQUARIUM (LAS VEGAS)

Get a chance to go behind-the-scenes and see the daily life of the biologists who rely on biology, chemistry and technology to keep our 2000+ fish happy and healthy.

Silverton Hotel
3333 Blue Diamond Rd.
Tours at 9 a.m. and 11 a.m.
Tours limited to 15 guests.

UNLV NEUROSCIENCE LAB (LAS VEGAS)

Ideal for students grade 2 – 5, this exploration of the UNLV Hive Lab (neuroscience research lab) shares how the brain helps us remember things, understand our surroundings, and feel rewarded when we do something good. Using special tools to listen to brain activity, researchers are able to understand how different parts of a healthy brain work together. The hope is to find ways to help people suffering from memory problems or brain disorders.

Campus Lab Building 1 (CLB1)
University of Nevada, Las Vegas
900 E Harmon Ave., Las Vegas, NV 89119
www.unlv.edu/maps/campus/CLB1

1:30 – 2:30 p.m.
Parking is FREE on the weekends at UNLV. There are plenty of spots surrounding the building.

Limited capacity so be sure to register in advance.

BELLAGIO FOUNTAINS: BEHIND THE SCENES (THE STRIP)

Join us for an exclusive tour that reveals what it takes for these famous fountains to work. Meet the experts who use a host of STEM disciplines to seamlessly weave together water, music, and lights to create the iconic showstopper on the Strip!

Bellagio Fountains
3600 S. Las Vegas Blvd.
Park at self-parking, walk through casino and pass Chanel and Tiffany, Meet at North Valet and Harry Winston
Tour at 11:00 a.m.
Limit 40 guests

SHARKS IN THE DESERT (THE STRIP)

What does it take to operate a 1.30 million gallon aquarium filled with sea life in the middle of the Mojave Desert? Go on a behind-the-scenes tour to discover the science that makes it possible.

Shark Reef Aquarium at Mandalay Bay
3950 S. Las Vegas Blvd.
Tours at 10 a.m., 10:30 a.m., 11 a.m., and 11:30 a.m.
Limit 15 guests per tour, ages 10 and up.

SEE FULL EVENT CALENDAR AND REGISTER AT WWW.SCIFEST.VEGAS

EVENTS

MONDAY, APRIL 28

UNLV FUTURE REBELS IN STEM DAY (LAS VEGAS)

Sponsored by NVigate
Presented by UNLV Future Rebels
Future scientists are invited for a full day STEM experience at UNLV! Students will have the opportunity to engage in hands-on activities facilitated by current UNLV STEM students, faculty, and community partners. Students will also enjoy lunch and an immersive STEM experience at the Museum of Illusions.

UNLV Main Campus

4505 S. Maryland Parkway
Limited capacity, must register in advance to attend.

RECYCLE CENTER TOURS (LAS VEGAS)

Sponsored and presented by Republic Services
Do you want to see how your recyclables are processed and sorted in Las Vegas? Republic Services invites you to take a tour of their state-of-the-art recycling center where you will learn recycling tips and see the process in action!

Southern Nevada Recycle Center

360 W. Cheyenne Ave.
North Las Vegas, NV 89030
Four tours: 9:30 a.m.,
11 a.m., 1 p.m. and 3 p.m.

WOMEN IN STEM PANEL (LAS VEGAS)

Sponsored by Nevada Gold Mines
Presented by Women's Research Institute of Nevada.
Want to learn more about career paths in STEM fields and hear firsthand what it's like to be a woman in STEM? Join us for a family-

friendly discussion with six successful women from a variety of STEM fields, ranging from paleontology to engineering. The event will begin with a showing of the documentary Roadtrip Nation: A Balanced Equation, which will be followed by a moderated panel discussion and audience Q&A.

Windmill Library

7060 W. Windmill Ln.
6 – 8 p.m.

STEM MOVIE NIGHT: REASONS FOR HOPE-JANE GOODALL (LAS VEGAS)

Come for a film screening of "Reasons for Hope" by Jane Goodall, hosted in collaboration with the Las Vegas Science and Technology Festival and Cinema Learning Challenge at the Galaxy Theatres — Boulevard Mall powered by NCWIT Nevada. "Reasons for Hope" is an uplifting journey around the globe that highlights good news stories that will inspire people to make a positive impact on the world. Join Jane Goodall on this hope-filled adventure.

All registered attendees will receive complimentary popcorn, soft drink, and/or a treat. Please note some items may not be included in this offering.

Galaxy Theatres at the Boulevard Mall

3680 S. Maryland Pkwy.
Las Vegas, NV 89169
4:00 p.m. – Doors Open and Check-In Begins @ Boulevard Mall
4:30 p.m. – Approx. start time of the film (runtime ~ 45 mins)

TUESDAY, APRIL 29

ESPORTS TRAINING EVENT AND Q&A (LAS VEGAS)

Calling all parents and students! This is your chance to discover how gaming is more than just fun. This Mario Kart training session invites participants to sharpen their techniques, compete in a tournament, and explore how esports can lead to scholarships, lucrative career paths, and real-world skills.!

Southwest Career and Technical Academy

7050 W. Shelbourne Ave.,
Las Vegas, NV 89113
4 – 7 p.m.
Limited capacity, must register in advance to attend.

RECYCLE CENTER TOUR (LAS VEGAS)

Sponsored and presented by Republic Services
Do you want to see how your recyclables are processed and sorted in Las Vegas? Republic Services invites you to take a tour of their state-of-the-art recycling center where you will learn recycling tips and see the process in action!

Southern Nevada Recycle Center

360 W. Cheyenne Ave.
North Las Vegas, NV 89030
Two tours: 4 p.m. & 6 p.m.

STEM MOVIE NIGHT: DREAM BIG - ENGINEERING OUR WORLD (LAS VEGAS)

Join us for a film screening of "Dream Big" hosted in collaboration with the Las Vegas Science and Technology Festival, and Cinema Learning Challenge, at the Galaxy Theatres — Boulevard Mall powered by NCWIT Nevada.

Narrated by Academy Award (register mark) winner Jeff Bridges, "Dream Big: Engineering Our World" will transform how people think about engineering. From the Great Wall of China and the world's tallest buildings, to underwater robots solar cars, and sustainable cities — Dream Big celebrates the human ingenuity and heart behind engineering marvels big and small.

All registered attendees will receive complimentary popcorn, soft drink, and/or a treat. Please note some items may not be included in this offering. Additional concession items available for purchase.

Galaxy Theatres at the Boulevard Mall

3680 S. Maryland Pkwy.
Las Vegas, NV 89169
4:00 p.m. – Doors Open and Check-In Begins @ Boulevard Mall
4:30 p.m. – Approx. start time of the film (runtime ~ 45 mins)

SEE FULL EVENT CALENDAR AND REGISTER AT WWW.SCIFEST.VEGAS

EVENTS

WEDNESDAY, APRIL 30

ENERGY EXPLORATION EXTRAVAGANZA! (LAS VEGAS)

This powerful event will focus on energy in Southern Nevada. Where does it come from? How can we save energy? What does the future of energy look like? Energy experts will be present to answer these questions and more. Additionally, participants will enjoy engaging activities and the Powershift by NV Energy theatre performance of "Peter Pan in Nevadaland." You'll also hear from student leaders promoting energy conservation programs to make a positive impact in our community and beyond.

Windmill Library
7060 W. Windmill Ln.
4:30 – 7:30 p.m.

RECYCLE CENTER TOUR (LAS VEGAS)

Sponsored and presented by Republic Services
Do you want to see how your recyclables are processed and sorted in Las Vegas? Republic Services invites you to take a tour of their state-of-the-art recycling center where you will learn recycling tips and see the process in action!

Southern Nevada Recycle Center
360 W. Cheyenne Ave.
North Las Vegas, NV 89030
Two tours: 4 p.m. & 6 p.m.

STEM MOVIE NIGHT: PLANET POWER (LAS VEGAS)

Join us for a film screening of "Planet Power" hosted in collaboration with the Las Vegas Science and Technology Festival, and Cinema Learning Challenge, at the Galaxy Theatres — Boulevard Mall powered by NCWIT Nevada.

"Planet Power" tells the story of electricity. From the first spark created by man's hand to the largest power plant, this experience will enlighten as you learn about pioneers, scientists, inventors, and an electric evolution that began 200 years ago.

All registered attendees will receive complimentary popcorn, soft drink, and/or a treat. Please note some items may not be included in this offering. Additional concession items are available for purchase.

Galaxy Theatres at the Boulevard Mall
3680 S. Maryland Pkwy.
Las Vegas, NV 89169

4:30 p.m. – Approx. start time of the film (runtime ~ 45 mins)

THURSDAY, MAY 1

MAY THE SCIENCE BE WITH YOU (LAS VEGAS)

Sponsored by CalPortland Desert Research Institute (DRI) and the Atomic Museum DRI and the Atomic Museum welcome the community to explore science through the lens of Star Wars. This FREE event includes DRI Science Lab tours, hands-on science activities for all ages, photo ops with Star Wars characters, food trucks, and exciting science entertainment.

Desert Research Institute
755 E. Flamingo Rd.
4 – 7 p.m.

RECYCLE CENTER TOUR (LAS VEGAS)

Sponsored and presented by Republic Services
Do you want to see how your recyclables are processed and sorted in Las Vegas? Republic Services invites you to take a tour of their state-of-the-art recycling center where you will learn recycling tip and see the process in action!

Southern Nevada Recycle Center
360 W. Cheyenne Ave.
North Las Vegas, NV 89030
Two tours: 4 p.m. & 6 p.m.

EVENTS

FRIDAY, MAY 2

NIGHT AT THE PLANETARIUM (NORTH LAS VEGAS)

Sponsored by Arcata
Presented by CSN Planetarium and the Las Vegas Astronomical Society

Join us in celebration of National Space Day with four planetarium showings plus hands-on STEM activities for all ages in the Laxalt Center. You can also participate in telescope observations outdoors with the Las Vegas Astronomical Society. Society.

CSN Planetarium
3200 E. Cheyenne Ave. (Building S)
Various show times available.

RECYCLE CENTER TOUR (LAS VEGAS)

Sponsored by Republic Services
Do you want to see how your recyclables are processed and sorted in Las Vegas? Republic Services invites you to take a tour of their state-of-the-art recycling center where you will learn recycling tips and see the process in action!

Southern Nevada Recycle Center
360 W. Cheyenne Ave.
North Las Vegas, NV 89030
Two tours: 4 p.m. & 6 p.m.

SATURDAY, MAY 3

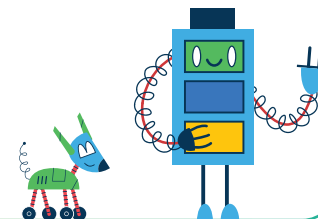

GIANT SCIENCE & TECHNOLOGY EXPO

Get in touch with your inner scientist at the Festival's biggest event! It's a FREE full day of one-of-a-kind science and technology experiences, and engaging science-themed entertainment. There's something fun to do for everyone at the Science & Technology Expo.

- ◆ See robotics demonstrations
- ◆ Explore new technology
- ◆ Check out dinosaurs and other prehistoric creatures
- ◆ Participate in hands-on activities and experiments
- ◆ Touch giant fossils discovered right here in Nevada
- ◆ And so much more!

The Expo at World Market Center
435 S. Grand Central Pkwy.
10:00 a.m. – 5:00 p.m.
Free admission and free parking

Expo sponsored by  **NNS**
SECURITY SITES
WE SECURE AMERICA'S FUTURE

SEE FULL EVENT CALENDAR AND REGISTER AT WWW.SCIFEST.VEGAS

"The Festival provided my children hands-on experience and helped ignite their passion on what they want to become when they grow up."

"I think this is a beautiful way to bond with our kids while also inspiring them to explore new interests and consider a wider range of career options for their future."

– CCSD Parent

"I have two kids who love STEM and we are always looking to supplement their education and experiences outside of the classroom. They have a big thirst for knowledge!"

– CCSD Parent

"The events gave my kids a better understanding of how science and technology are applied to real life and a chance to visit educational sites that we did not know existed in LV."

"The exhibits were outstanding! My kids did not want to leave. It was interesting and engaging for all ages. We cannot wait to come back next year!"

"The Festival is enriching my children's love of science and technology, introducing them to wonderful new experiences, and nurturing their curiosity."

– CCSD Parent
